

Is looking for companies to host our students for their workplace based practical experience

SPARROW FET COLLEGE is a social enterprise that provides reputable and accredited education & training to the unskilled and unemployed youth (including persons with disabilities) of South Africa. By developing skills through theoretical and workplace-based training.

HOW CAN HOSTING STUDENTS BENEFIT YOUR COMPANY?

- ✚ Gives your company the opportunity to gauge talent and test skills/fit prior to appointing into a full-time position **AT NO COST – FOR FREE**
- ✚ Builds a pipe-line of talent/ skills for future hiring needs
- ✚ Students can assist with completion of projects that require extra man power
- ✚ Students can bring innovative solutions to broaden existing knowledge bases and provide competitive edge
- ✚ Assist in addressing the skills shortage in our country by providing students with meaning-full, hands on, real-world, practical experience
